

Join the EUBIP European Pavilion at
Eco Expo Asia to build new business
networks and opportunities in the Greater
China and South East Asia region.

Eco Expo Asia
28-31 October, 2009
ecoexpoasia.hktdc.com

The flexible EUBIP European Pavilion offers different sizes of exhibition space, from a simple display unit, to a 9 to 18 sqm booth.

The Pavilion will include a communal area with refreshments for meetings and networking.

The Pavilion is open to European companies based in Hong Kong, European Chambers of Commerce and European Trade Commissions.

Choose the size that suits your needs.

Option 1: 9, 12, 15 or 18 sqm booth

Price includes walls, carpet, lighting, fascia with company name, counter, table, chairs, power socket, telecommunications & publicity services and daily cleaning.

Cost: From HK\$ 30,250 to HK\$58,780

Option 2: Standalone display unit

Includes company name and logo, power socket shelving for brochures and small shelf area.
Cost: HK\$3,000
